About holding the I International Scientific
and Practical Conference 'Interdisciplinary
Aspects of Development of
Transformational Technologies'

Dear colleagues!

The Federal State Budgetary Educational Institution of Higher Education "Kherson Technical University" invites you, faculty, scientists, doctoral and postgraduate students, master's students and specialists of the branches of national economy on **February 26-28, 2025** to take an active part in the I International Scientific and Practical Conference 'Interdisciplinary Aspects of Development of Transformational Technologies', which will be held in Genichesk, Kherson region of the Russian Federation.

The purpose of the conference: acquaintance with the results of the latest scientific achievements, organisation of constructive discussions, exchange of experience, activation of scientific and innovative activity of the Kherson Region aimed at solving urgent problems in various fields of science related to the transformation and development of new regions of the Russian Federation.

Sections of the conference:

1. Scientific trends in mechanical engineering, robotics, electric power engineering.
2. Innovative and technological development of technical chemistry and food industry.
3. Ecological innovations: new approaches to solving global problems.
4. Innovative drivers of IT-sector: technological progress and information protection.
5. Issues of management and economics: problems and perspectives.
6. Modern law of Russia: problems and perspectives.
7. Psychological environment - a tool for society modernisation.
8. Design models of sociosphere development: concepts, strategies, methods.
9. Transformational technologies in philology.
10. Specificity of the axiological approach to the organisation of educational activities in educational institutions of Novorossiya.
11. Mechanisms of ensuring socio-economic growth of the new territories of Russia.
12. Integrated development of agricultural territories, working settlements, small towns, industrial and residential areas of large cities taking into account the formation of 'closed cycle economy'.
13. Urban planning: a toolkit for the development of the new regions.

14. Priority forms of training programmes for the new regions of Russia with the use of practical training of engineering, technical specialists on the territories of agro-industrial, industrial, eco-industrial parks as on fundamental inter-sectoral production bases.

The working languages of the conference are Russian and English.

Materials should be sent **until February 15, 2025** to the address of the Organising Committee: **konferens-htu@yandex.ru** by one letter with an attached file of the abstracts, arranged in accordance with the requirements; and fill in the application form for participation in the conference at the address: <https://forms.yandex.ru/u/64ae7470c417f32ec1515129/>. The abstracts file should be named as follows: 25_ section number_Ivanov I.I.

Arrangement of materials:

- the text should be original;
- UDC index (font size 12, left-alignment);
- full name of the author(s) (indentation to the left 8.5 cm, width alignment, font - italic, bold);
- comma after the author's full name, academic degree, academic title, position (indentation to the left 8.5 cm, width alignment, font - italic);
- title of the abstracts (capital letters, centre alignment, font - bold);
- full name of the organisation, city, country (centre alignment);
- abstract of the article on the next line after the word "Abstract";
- keywords on the next line after the word "Keywords";
- main text (font size 12, line spacing - 1, width alignment);
- literature is arranged at the end in the order in which the source is mentioned in the text after the words "List of Used Sources". In the text, citations are indicated by square brackets with the number of the source and, after a comma, the page number: [5, pp. 115];
- text format Microsoft Word (*.doc, *.docx); A4; portrait orientation, margins (top, bottom, left, right) - 2 cm; red line indent - 1.25 cm; font - Times New Roman, font size - 12; line spacing - 1; text alignment - width, length - 1-3 pages, the number of authors in one article - no more than 4, formulas in the text - using Word "Microsoft Equation";
- figures are marked "Fig." and numbered with Arabic numerals with the following title, located under the figure on the next line in the centre. All figures should be referenced in the text (Fig. 1);
- tables are indicated by the word "Table" and numbered with Arabic numerals. The table indication and serial number (without a dot) are right-aligned, the table name - on the next line, in the centre. The table is separated from the text by a blank line from below.

An example of the layout of abstracts is available at the link: <https://disk.yandex.ru/d/wV5oxvUZ9l7AHw>.

Based on the results of the conference, a collection of conference materials (ISSN) will be published, which can be obtained in electronic version. Publication of the conference materials in the Russian Science Citation Index is expected.

For conference participants, the Collection of Abstracts will be sent free of charge to the e-mail address provided in the application form within one month after the conference.

The Organising Committee keeps the right:

- to make technical corrections to the text of abstracts;

- to refuse accepting materials (in case of non-compliance with the requirements, including the format of files, topics, lack of information about the authors, the presence of borrowings from materials published earlier, as well as having signs of plagiarism);
- to refuse accepting materials after the submission deadline.
