

## INFORMATION LETTER

### **V International Forum of Innovative Teachers "MODERN EDUCATION: CHALLENGES, TRENDS AND STRATEGIES"**

**Country:** Republic of Kazakhstan, Venue: Shymkent, Tauke Khan Avenue, 5

**Date:** April 28-29, 2025

**Time and place of the plenary session:** 10.00, Assembly Hall, main building, online and offline modes.

**Organizer:** M. Auezov South Kazakhstan University

**The purpose of the forum:** to summarize and promote professional experience, reveal the creative potential of teachers, promote the improvement of the scientific and methodological level and quality of teaching, as well as to expand activities to introduce and implement the main directions of modernization of professional and pedagogical education in the light of improving the quality of human capital and sustainable development.

**Forum objectives:** to expand the forms of communication and exchange of experience between higher education institutions, organizations of preschool, secondary, technical and vocational, post-secondary education of the Republic of Kazakhstan and foreign countries and to support the professional growth of teachers.

**The V International forum of innovative teachers is held in the following areas:**

**1. Global trends and strategies in modern education.**

**2. Modern challenges:**

- Sustainable development and education: Inclusion of sustainable development concepts in educational programs to prepare students to address global challenges.
- Environmental literacy: Growing need to teach the principles of ecology, climate change and sustainable lifestyle.

Teaching staff of higher education institutions of RK and foreign universities, college teachers, preschool teachers, teachers of comprehensive schools, lyceums and gymnasiums are invited to participate in the forum.

The forum will **include** open lectures, presentations of innovative projects, master classes, round tables and trainings. Among the topics of interests of the Forum are issues of elite education, artificial intelligence in education, Kazakhstan's model of innovative, informational and health-saving education.

Materials developed and published in the period **from September 2021 to April 2025** are presented for participation in competitions and exhibition of innovative developments.

There is a possibility to make presentations remotely in the videoconference mode and to introduce new competitions by recommendation of participants.

The forum will be held in **online and offline formats**. The address of online platform will be announced additionally.

Working languages of the forum: Kazakh, Russian and English. Applications for participation in the forum (according to the attached form), paper texts in printed (in 2 copies) and electronic versions and a copy of the receipt of payment of the registration fee (in the amount of 3500 tenge) are accepted until April 20, 2025 inclusive by e-mail [forum.auezov@mail.ru](mailto:forum.auezov@mail.ru) or to the address: 160012, Republic of Kazakhstan, Shymkent, Tauke

Hotel booking (yes, no)	

**Formatting requirements for paper**

The report text (up to 3-6 pages in A4 format, including figures and tables) should be typed in Microsoft Word, using the Times New Roman font (font size – 11, line spacing – 1, all margins – 20 mm, paragraph indentation – 1.25 cm). The material should be organized as follows: the first line indicates the UDC (Universal Decimal Classification) in both the original language and in English. After a line - in capital letters the title of the report in the original language (in bold) is provided. After a line - the initials and surnames of the author(s) in the original language is provided. The number of authors is limited (no more than three authors). After a line - the full name of the organization, city, country and e-mail address (e-mail) in the original language is written. On the following line, in italics – for reports in Russian: *резюме* and *abstract*, for reports in Kazakh: *резюме* and *abstract*, and for reports in English: *abstract* (100-150 words). After a line break, provide keywords (at least 7 words) in the original language. Then, after another line break, the main text of the paper in the original language is printed. The reference list should appear at the end of the main text with a line break, ensuring that these references can be considered when analyzing citations of authors and journals.

The paper text is final and must not be edited, as it will be published as an original work. The proceedings of the forum will be compiled by direct copying.

***Materials that do not meet the specified requirements will not be accepted for publication, will not be considered, and will not be returned.***

Please pay attention to the **necessity** of submitting materials that are carefully edited and comply with all the aforementioned requirements, as the listed organizational fees are non-refundable.
