1. CHARACTERISTIC

The programme of the training course “Russian as a Foreign Language. Basic level” is developed in accordance with the standard curriculum “Russian language” for higher education of the Republic of Kazakhstan and is oriented to the training of foreign citizens who have not studied Russian language before or have minimal knowledge of this discipline.

The course content is communicatively orientated. It deals with the study of speech constructions in order to use them in communicative situations. Upon successful completion of this course, the learner **MUST**:

A: know the basics of the phonetic system: the Russian alphabet, sound-letter correspondence, the rules of modern Russian pronunciation with the main positional alternations of sounds, the rules of accentuation and rhythm of the Russian phrase, intonation constructions of the Russian language;

B: learn the basics of Russian grammar;

C: learn vocabulary to the extent that ensures the ability to use Russian in various situations of communication and to carry out learning activities in Russian.

D: be able to create written monological texts within the scope of the given level;

E: have skills in the area of speaking:

F: - exercise speech self-control on the basis of observation of one's own speech for further speech self-improvement, evaluate oral and written statements from the point of view of language design, efficiency of achieving the set communicative tasks.

The duration of the course is 40 weeks (450 hours).
