

## Structure of the Department of Ecology and Assessment

**Baykenova Gulzhan Gausilyevna,  
Doctor of Chemical Sciences, Professor  
Head of the Department of Ecology and  
Assessment**

Total scientific and pedagogical work experience: 25 years.  
Leads disciplines in the bachelor's program "Ecology and Sustainable Development,"  
"Fundamentals of System Ecology," "Hydrology," "Ecological Aspects of Natural Science," "Evaluation of the State of the Environment,"  
"Ecological Chemistry," "Environmental Management," in the master's program "Prospective Directions for the Development of Mineral Resources."  
There are scientific publications in various publications - more than 150 p.l., the author of textbooks - 50 p.l., the author of monographs - 20 p.l.

**Isabaev Asylkhan Sagintaevich,  
Candidate of Chemical Sciences**

Total scientific and pedagogical work experience: 35 years.  
Leads disciplines in the bachelor's program "Soil Science,"  
"Land Management," "Industrial Ecology," "Land Assessment,"  
"Fundamentals of Radiation Ecology," "Ecological Chemistry,"  
"Biogeochemistry and Ecotoxicology," "Economics of Nature Management."  
There are 65 scientific publications in various publications, and 6 textbook authors.
